Every teacher has a story. What will yours be? The Teach in Scotland website shows how your teaching journey can lead you towards development opportunities and leadership roles, a good starting salary and into a position which can shape young people's lives.

Teaching opens lots of doors within the wider field of education and beyond. The key to success is having the commitment and the passion, especially when there are challenges along the way. It's discovering creative methods to overcome obstacles that makes a career in teaching even more rewarding. So, if you think teaching might be the career for you, visit the Teach in Scotland website to find information on professional benefits, routes into the industry, information on how to apply to a PGDE and a free guide on starting your own journey – it's the best place to find out what a career in teaching could teach you.

You will also be able to find out more about the Talking Teaching events which will share information on the PGDE application process, opportunities for progression, career changers and what life is really like as a teacher.
